We Have It Made In Virginia

Forestry camp held at Holiday Lake facility

The 40th Annual Forestry Camp was held June 18 through June 23.

State Forester J.W. Garner said 83 students attended the camp this year and will carry back to their communities a wealth of knowledge learned from the forestry courses taught at the camp.

The camp is held each year at Holiday Lake, located in the Appomattox-Buckingham State Forest. Scholarships were awarded to 14-16 years judged most deserving from the standpoint of activity and interest shown in sound forest conservation practices.

At the end of the camp week the campers were carefully tested and graded on the subjects taught during the camp period. The instructors and counselors selected the Best Campers, three outstanding students who displayed the most leadership, initiative, interest, and who also made good grades on their test papers.

Professional foresters from the forest industries and the Virginia Division of Forestry, and a wildlife biologist from the Commission of Game and Inland Fisheries handled instruction at the camp. Courses taught included forest fire control, timber harvesting, wood technology, timber measuring and marketing, forest management, tree identification, forest insects and diseases, and wildlife management.

Camp counselors were agriculture education instructors provided through the State Department of Education.

Holiday Lake Camp is financed by Virginia forest industries and the Virginia Wildlife Federation and managed by the Virinia Division of Forestry. Among the Virginia industries supporting this year's camp were Westvaco Corporation, Burruss Lumber Company.

THE FIFTH NEW YORK VOLUNTEER INFANTRY, Duryee Zouaves, will present a weekend of living history at Appomattox Court House National Historical Park July 7 and 8.

'History' set for this weekend

Appomattox Court House National Historical Park in cooperation with the 5th New York Volunteer Infantry, Duryee Zouaves will present a weekend of living history on July 7 and 8.

Beginning at 10 a.m. each day until 5 p.m. members of the regiment will recreate a typical day in the life of the Civil War soldier in the field.

As you walk through the authentic camp, you'll learn how and what they cooked, what chores and duties they performed, and what they did for recreation.

The program also includes drill demonstrations and interpretive talks on their weapons, equipment, unique Zouave uniforms and the major battles in which the regiment distinguished itself. For further information call (804) 352-8987.
